This two day, one night trip to the Ozarks will please the Branson fan that has been-there, done-that, AND it will delight the traveler that says "I don't do Branson." This is not your ordinary Branson! Look at what we have lined up!

Our first show will be at the Starlite Theater where we will be wowed by the **THE TEXAS TENORS!** Over 100 million people from around the world tuned in to America's Got Talent last summer to see **THE TEXAS TENORS** become "2009's #1 Vocal Group of the Year". From John Denver to Puccini, JC, Marcus, and John bring their unique blend of Country, Gospel, Classical, and Broadway to the stage with breathtaking vocals, humor, chemistry, and cowboy charm.

Wear your cowboy hat or your opera glasses, because this inspirational and patriotic show will leave you shouting "ENCORE" and "YEE-HAW!"

For dinner we have a special, new and one-of-a-kind Italian restaurant experience, **Florentina's Italian Restaurant**. Plenty to choose from and enjoy!

Show number two will be a group that our Good to Go gang fell in love with on the NCL New England Cruise last fall. After touring the world on the high seas for the last 3 years, **The Cat's Pajamas Vocal Band** has

**Escorted by:**  
**Patti Beth Anderson**

officially moved to Branson, Missouri. And we will be Good to Go to catch their show! Considered the fastest rising vocal band on the planet, **The Cat's Pajamas** pride themselves on their singing talents and their ability to engage each audience member during their dynamic, interactive performances. Their blend of classic songs with a modern a cappella twist showcases their unique style which commands every audience's attention. Since their inception in 2005, **The Cat's Pajamas**

Sept. 29-30, 2010

2 days, 1 night

(Continued from page 1)

**mas** has participated in the TV show *The Next Great American Band*, where they advanced to the top 30 bands out of a field of 14,000. In addition to making a name for themselves on Norwegian Cruise Lines as a top guest entertainer act, **The Cat's Pajamas** recently sang for Oprah Winfrey's birthday party in 2009. You will love them, we did! We will overnight at the lovely **Grand Oaks Hotel** where a continental breakfast is included as we head out on Day 2.

It's nice to start out the day in good spirits, so we will do just that with a visit to the new **Mount Pleasant Winery**. It is a wine shop, art gallery and hands-on bottling experience all rolled into one. In addition to touring the facility and tasting award-winning wines, we will have the unique opportunity to bottle their own dessert wine from a specially designed 600-gallon French oak barrel.

Another special meal and off the beaten path....where the locals go...it's **Danna's BBQ and Burger Shop**. The unique atmosphere could be described as old world charm meets rustic/western. It's al fresco dining with the garage doors open and 50's music setting the tone. Known for their burgers and their BBQ, we will have to come back to try it all.

Show number 3, and it's time to laugh because **RAY IS BACK! And "Everything Is Beautiful"** at the **Welk Resort Theatre!** Multi-platinum recording artist, songwriter, two-time Grammy winner and Branson legend **Ray Stevens** returns to the town he helped put on the map, with the show that everyone loved, for a special celebration of 50 years in the music business. With over 4 million albums sold in his career, **Ray Stevens** brings all of his hits to the Welk Resort stage: from the hilarious "Ahab the Arab", "It's Me Again Margaret" and "The Streak" to the award-winning "Misty" and "Everything Is Beautiful". A true pioneer and singular entertainer, we won't forget time spent with the legendary **Ray Stevens**.
