*"It ain't too early to mark yer calendars, and start thinking about them Ozark Mountains fer the holly -days. We always have ourselves a fine time when we head to Branson at Christmas time. And I know I been hearin' everyone talkin' 'bout money being tight as last years long johns, well, I done figured out a way to have us a dandy time without bustin' the piggy bank. Looky what we got worked up fer this year."*

Let's enjoy the music and comedy at one of Branson's Hottest Shows, **Pierce Arrow**.

Good old fashioned four part harmony will keep your toes tapping. The talent onstage overflows, from the World's lowest bass singers according to the Guinness Book of World Records, to masterful harmonies and expert entertainers, these gentlemen truly love what they do and it shows.

We will also get a kick out of Jarrett Dougherty who is known as Branson's funniest comedian for his many hysterical characters from the Preacher, Brother Cecil Watkins to the crazed Harry Pitts, we never know who might show up. The lovely voices of Desta and Kim Boyce light up the stage with contemporary gospel hits and other musical favorites. Quickly becoming a Branson 'classic', this is Simply Branson.

nightly with an unforgettable show the Los Angeles Times calls a “stomp your feet mix of music and comedy.”

From country favorites to popular classics – from the zany antics of Herkimer and Cecil to the soulful reflection of southern gospel music – it’s the one Branson show Regis Philbin says “you’ve got to see.” This is truly the stuff that put Branson on the map, it doesn’t get much more Simply Branson than this long time favorite.

We will overnight in Branson where a Continental Breakfast will get us started on Day 2.

We’ve got another great show lined up with **Dalena Ditto Country Variety Show**. This very talented performer has entertained on cruise ships and is a Branson sweetheart. We will hear our favorites - country, pop, and ballads performed with a live band.

Lunch today will be at **The Uptown Cafe** that brings back the style and personality of the ‘50s with their great food and amazing service. The art deco furnishings allude to a complete 1950s theme at the Uptown Cafe. You walk in to a real jukebox playing music from the 50s and from then on you are completely taken back to that era.

*"Expect some surprises as you never know what will happen when Willamae gets to Branson, Miz-ur-ee!!"*
